## THE NEWSPAPER LAW.

1. All subscribers who do not give express notice to the contrary are considered wishing to continue their subscription.
2. If subscribers order the discontinuance of their periodicals, the publisher may continue to send them until all arrearages are paid.
3. If subscribers refuse or neglect to take their periodicals from the office to which they are directed, they are responsible until they have settled their bills and ordered them discontinued.
4. Subscribers moving to other places without informing the publisher, and the papers are sent to the former address, they are held responsible.
5. The courts have decided that refusing to take periodicals from the office, or removing and leaving them uncalled for, is prima facie evidence of intended fraud.

If subscribers pay in advance they are bound to give notice at the end of the time if they do not wish to continue taking it; otherwise the publisher is authorized to send it, and the subscriber will be responsible until an express notice with all arrearages, are sent to the publisher.

The latest postal laws are such that newspaper publishers can arrest any one for fraud who takes a paper and refuses to pay for it. Under the law the man who allows his subscription to run along some time unpaid, and then orders the postmaster to mark it "refused" and have a postal card sent notifying the publisher, leaves himself liable to arrest and fine, the same as for theft.

## We Are Not a Small Store

On a back street trying to get a start by dividing our profits with our customers.

## We Are Not a Big Store

At the end of the street trying to freeze out the smaller concern.

## But We Are

The oldest, best located, best stocked, and best equipped store in Carson, holding our place where  
we always held it, at the head of the procession.

**PRION \$74.99. REDUCED FROM \$75.**

**WHY DO WE DO IT?**

For the same reason that some of our competitors have reduced the price of Citron, Lemon and Orange Peel? Because we  
know that you do not want it at this season of the year and we want to make a cut that will look big to you and amount  
nothing to us.

No, we do it to attract your attention. Now that we have it let us ask if you have noticed a great reduction in our neighbor's  
prices. Are they not asking "before the war" prices for most of their goods? Are they not selling a few unimportant things cheaper  
and making up on others? Is not the general average about the same? Do you think it is much to your advantage to get what  
you do not want cheaper and pay as much or more for what you really need?

Do you know why they shout CASH every time they make a close price? Is it because they are not able to trust you? If so  
do you think they will be able to buy to advantage and sell accordingly? Is it because they cannot trust you? Then can you  
trust them? Is it because they think you will not have cash to take advantage of their offer with? Perhaps.

Now we are not so particular about the CASH. We have probably trusted twice as much as any house in Carson and are still  
doing it. We have had your confidence and have been trusted by you and we are not going to exact Cash from you before we  
give you what belongs to you—your money's worth.

Our prices are not HALF RIGHT they are ALL RIGHT and they are our only weapons. You can come to our store with-  
out seeing ugly looking knives or hearing us shout CASH OR MERRY WAR.
